Grayshott Primary School PTA - charity number 1059298

Register for the new PTA website

As a Committee we are always looking for new ways to make it easy to communicate with the school community, purchase tickets for events, sign up to help with volunteering etc.
We have found that Ticket Tailor has helped reduce administration time for our volunteers, made it easier for parents to buy tickets and help support the school, which has led to an increase in demand for tickets for our events. This in turn has also increased our incurred costs from Ticket Tailor.

**To make it even easier for us and parents we have teamed up with PTA Events,
a web-based company which will make running and raising funds for our PTA even easier. This is a one-stop-shop for parents where you can buy tickets, access our news section announcing upcoming events, volunteer and much much more.**

It will still enable you to pay for events using your credit/debit card using Stripe. However, the big plus side for us as a Charity Organisation is that if parents wish, you can select to also pay the admin cost of processing the card payment. We know that not everyone will choose to do this and that is absolutely fine – but any reduction in transaction fee costs means more money for our School!

To use this system, you will need to register first.

It is very simple to register:

- Go to www.pta-events.co.uk/grayshottprimary
- Complete and register your details
- You will then be approved by our administrators (We are working parents so this may not be done straight away). Once approved you will then have access to our own PTA website.

Many future events between now and the Summer Term have been loaded, so please log in and take a look! You are now able to purchase tickets for **GRAYFEST 2024 at the special Early Bird price!**

If you have any questions about the system then please do not hesitate to contact Sophie Woolliscroft - chair@grayshottpta.onmicrosoft.com

Thank you so much for your continuing support.
Kind regards

The PTA Committee
