Aim	Use of funding	Timescale	Cost	Provision	Impact	Sustainability
To enhance quality and provision of PE lessons and after school club activities.	Equipment for PE lessons Footballs Nets Tennis balls Bean bags Storage boxes	May/June 2023	£146.74	Equipment will be used by both teachers and children during both PE lessons and after school clubs	Better resourced lessons and better access to equipment for children	✓ new storage solution and rules around use will increase lifespan of new equipment
To drive improvement in the provision of Physical Education in school.	Subject leadership Time	Annual	£525.00	3 days (0.5 days release per half term)	Action plan implemented for PE and progress made in planning and assessment of subject	✓ Helping to monitor implementation of curriculum

To raise the profile of competitive sport in school	Provision of Sports Day	June 2023	£175.00 £22.00	Event organised and held involving the whole school in competitive sports	Very successful event with good feedback from stakeholders including governors, parents, children and staff.	✓
Improve the provision for children's games during break and lunchtimes.	Musical instruments for playground (new and refurbishment of older items)	February 2023	£100	New equipment will be used to lunchtime supervisors and youth worker in organising structured sporting activities at break and lunchtimes.	Children making renewed use of musical area of reflective garden	✓
	Installation of new basketball nets and hoops	June 2023	£1152.22	New hoops were installed	New hoops and backboards in line with safety requirements and children using them regularly	✓ Good quality equipment was purchased which should last for a few years
	Annual service of PE and outdoor equipment	September 2022	£81.31	Annual requirement	Equipment checked to ensure it meets safety standards and is in good condition, maximising use.	✓ Keeps equipment in good working order and identifies minor

						faults quickly before they become irreparable
	Playground Line Marking	October 2022	£1520.00	Refreshed playground areas	Children have more options on the playground, including Key Stage 2 children before school, so that they can be active	✓ Good quality markings with guarantee
	Playground Divider barriers	November 2022	£1980.60	Cordoned off a football pitch on the playground	Children have a space for football but this does not dominate the outdoor space. This has led to much more calm playtimes and more structure.	✓ High quality dividers that will last a long time – used in roadworks etc.
	Scrapstore Top Up items	September 2022	£1,110.00	Annual order to refresh contents	Children have the chance to be creative and express themselves whilst being active. Enjoyment of lunchtime play is enhanced	✓ Regular top-ups – will investigate other sources of this kind of material
	Additional Playground	September 2022-March 2023	£213.60	Additional active stations in reception's outdoor area.	Better resourced areas for younger children	

	resources (sand and bark)					
	Astroturfing of Gravel picnic area in order to create badminton/ multi-purpose court area	August 2023 tbc	Approx. £16,000 (of which £1803.25 will come from Sports Premium Funding)	Development of another space that can be used for games and PE / removal of gravel that is damaging playground surface	tbc	✓ This will prolong the life of the soft surface on the playground as the ingress of gravel is causing attrition to the surface.
Increase quality of teaching of games.	Specialist sports coaching to support the teaching and learning of games	September 2022- March 2023	£7540.00	X 2 coaches of 1 hour each week in each x 2 classrooms across the school (rotated every half term).	Provision of PE is developed around the school. Children have access to high quality trained coaches.	✓ Provides cost effective cover and staff/sessions are of a good quality
Increase participation in competitive team sports	Partnership with Bohunt Secondary School to participate in weekly tournaments	September 2022- July 2023	£300	Children from across all year groups to participate in tournaments, festivals and skills sessions across a range of sports.	Large participation rates across the school and children get chances to experience different sports in a low-stakes competitive setting	✓ Initiative has been running for a long time and is usually well-attended

	across a number of sports.					
Improve quality of teaching and learning in lessons.	Subscription to PE planning lessons plans and unit overviews	September 2021- July 2022	£185.00	Planning for teachers in all aspects of the PE curriculum	Lessons are well-structured and build towards defined goals and assessment opportunities	✓
To increase children's well-being, emotional literacy and connection with outdoor activities	Forest School Implementation and resourcing	March 2023	£874.28 (£170 required outdoor First Aid training for Leader, £354.28 for resources, £350 supply cover for First Aid training)	Each year group will have half a term of sessions in a local area of woodland	First half term of sessions has been well-received and children are thriving in this environment	✓ Another member of staff will go through the training this year to increase capacity
Total allocated to date: £17,729 (August 2023)
