

English

To continue their Survival topic the children will be writing diaries from different viewpoints. They will be drawing on all of their learning in English from the whole of Key Stage 2 to produce some final pieces to use as end of year assessment pieces. They will be producing persuasive pieces as well as entertaining and informative texts. These can be edited as many times as the children want and will showcase all of their marvellous skills.

During Careers Week the children will be discussing the necessary skills for different careers and how the skills learnt in writing learning journeys will be vital to gain roles and also in their future employment.

Science

look at climate data and they see.

As the year draws to a close the class will review their science knowledge from the year and complete retrieval quizzes in teams.

The children will learning about how to look after our planet including ways to reduce energy consumption, what happens when fuel is burnt and the outcomes of COP26. They will also make up their minds about what

Lights, Camera, Action!

The moment we've all been waiting for: **THE PRODUCTION!** The children are very excited about performing this. Parts have already been chosen, songs are being practised (as you may have heard over half- term) and we will be rehearsing every week.

The play, 'Robin and the Sherwood Hoodies!' will be performed in our school hall in the evening on 8th and 10th July. Please make sure your child has their costume in school for the

Maths

The children will be completing a range of fun investigative projects now that the basics of our maths curriculum has been taught.

Via these puzzles and challenges, the children will continue to review key concepts from the year six curriculum ready to build on this at secondary school.
