Accept that everyone is different

Include others when working and playing

Whole Class Reading

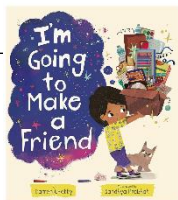

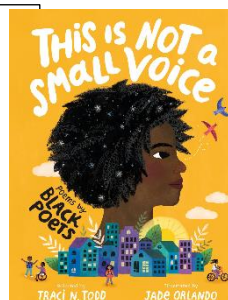

Sparks in The Sky

Dear Greenpeace

I'm Going to Make a Friend

This Is Not a Small Voice

Oh Dear, Look what I got!

PE

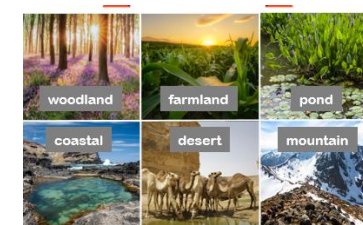

Basketball (Mondays)

Gymnastics (Wednesdays)

Science

Living things and their habitats

Maths

Addition and Subtraction

Recall and use addition and subtraction facts to 20 fluently

Recall addition and subtraction facts for each number up to 10. State subtraction fact corresponding to addition fact and vice versa. Recall doubles to 10 + 10 and corresponding halves. Derive doubles to 15 + 15 and corresponding halves. Derive doubles of multiples of 5, halves of multiples of 10.

RE

Why is light important at Advent and Hanukkah?

Music

Rehearsing and performing songs in the Key stage 1 Nativity

Computing

Programming quizzes

Modify designs to create quiz questions in Scratch Jr

Design and Technology

Understanding wheels and axles

A mechanism is a device used to create movement in a product and wheels and axles are examples of this.
