- **Spelling lists** go home on **Friday** and are then tested the **following Wednesday**

Blue Planet

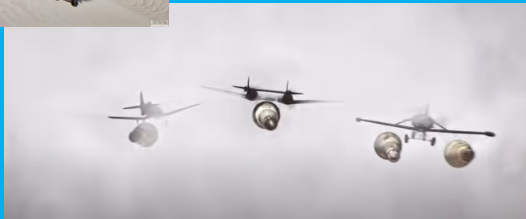

Silver Class
Summer Term 2
2025

Blue Planet Summer Term 2

Our final topic of year 5 is Blue Planet.

Oceanmaker

As part of our learning in **English**, the children will be using the amazing short film Oceanmaker as a text-driver. The children will be writing setting descriptions about the desolate, arid desert using some descriptive vocabulary before moving on to write an action piece that contains dialogue based on the film.

Key websites or places to visit to assist with learning:

<https://kids.kiddle.co/Coast>

<https://www.coastsforkids.com/>

<https://www.3dgeography.co.uk/coastal-geography>

Living things

This term, in **science**, we will be learning about the life cycles of mammals including reproduction. This will build on our knowledge from last half-term when we learnt about the life cycles of insects, amphibians, birds and reptiles.

Budding Architects

In art and design the children have been creating and painting their own house models and will be continuing to develop their architectural skills.

And finally.....!

It's almost here! Our residential to Stubbington Study Centre. The children will learn an enormous amount about the natural environment when they go, as well as develop their team building and independence skills.
