Green Class Autumn 2 Curriculum Overview

**History**

Green Class pupils will discover what daily life was like in Ancient Egypt. They will consider questions such as: Why was the River Nile so important to daily life? How do artefacts help us to understand what life was like? What did the Ancient Egyptians believe?

**English**

During this half term, Green Class will read *The Egyptian Cinderella* by Shirley Climo. The children will have the opportunity to compose a diary entry in role and update the story by writing their own version. In whole-class reading, they will read and discuss a variety of texts, including extracts from *The Wild Robot* by Peter Brown.

**Maths**

This half term, we will be focusing on addition, subtraction, area and multiplication.

**Science**

Pupils will discover how humans digest food, including the role of teeth in the digestive process.

**RE**

The children will consider the concept of neighbour, with reference to Christianity.

**Spanish**

The children will learn vocabulary relating to the seasons and explore how Christmas is celebrated in Spanish-speaking countries.

**PSHE - Celebrating Differences** – including understanding influences, recognising bullying and developing problem-solving skills.

**DT - Mechanical Systems** – designing and making a moving-parts poster.

**PE -** Circuits and CM Sports.

**Music -** Violin or Toots and Doods.
